

Mornings : *silence is the greatest music.*

*There is no greater force in this world than human will, coupled with faith*

Daily Routine : *Don't prioritize your schedule, but schedule your priorities.*

Self Discipline : *'One doing whatever pleases him does not achieve anything.'*

Personal Finances : Wealth identification, Wealth creation, Wealth management, Wealth distribution

Highest Level of Productivity : *'Giving more than what we take, and producing more than what we consume.'*

*When you have humility and a sense of gratitude, everything falls in place for you to succeed.*

Two Keys to Success : Keep learning and growing in the field of finance, people management skills, business, inventions to serve others

Habit of Documentation : READING BUILDS THE character of a man. Writing completes it

Contacts : *'YOUR CONTACTS BECOME your contracts.'*, *'To have friends, be a friendly person first.'*

Contract : *'One should make a deal, with one's own people or with strangers, in the presence of a witness, in an open manner, properly declaring it with respect to place, time, quantity and quality.'*

Planning is key to success : *'The more we sweat during peace time, the less we bleed during wartime'*

Personal Income : Discuss finances openly, Invest wisely, Let money work for you

*'War power, made to prosper by knowledge, intellect and righteousness, sanctified by spells in the form of the council of ministers, and possessed of arms in the form of compliance with the science (of politics), triumphs, remaining ever unconquered.'*

Trips : *'A person learns more from a day's travel, than from reading a hundred books.'*
